Miss Inez Gagnier skis for the love of the thrill of the sport. Her instructor, Ivid Nelsen, engages in the sport professionally. Both, however, agree that the environs of Quebec are unexcelled anywhere in the world as a sking or general sport playground. Besides tutoring the timid and giving periodic exhibitions of ski-dancing, Nelsen, with his fellow professionals at the Chateau Frontenac, Messrs. Oliver Kaldahl and Arnold Stone, all of whom are internationally known, organize parties to such places as Montmorency Falls and other favourite skiing localities within a few miles of Quebec.

"PASSION"

Pola Negri and Emil Jannings

From a humble miller's apprentice the rose to the heights of the world's ruler of a King and then dropped to the lowest ebb where she was beleaguered by the masses.

A spectacular production of the world's most daring adventures in the splendor of Louis XIV.

Love was her game, with men as stepping stones. She reached the Zenith of her glory as the ruler of a Kingdom and finally died among the masses she betrayed.

A story long the world over, acclaimed for its beauty and power beyond compare—"Passion".

6000 people acted in this mighty production. The mob scenes will awe you. The costumes are replicas of those worn in the time of Louis XIV and are exquisite. This mighty drama of the Revolution will thrill you. Its a picture you will remember. See it.

Monday and Tuesday

"The House of Scandal"

A story of the underworld, a beautiful girl, two policemen and all that helps to make a picture thrilling.

When Pat Haggis of the New York Police force, is decorated with a Medal of Honor and congratulated for bravery by the Mayor.

When Pat meets his brother, Danny, at the boat after years of separation and learns of their mother's death back in Ireland.

When Danny, wearing his brother's uniform is mistaken for a real policeman and has to take home a girl hurt in a smash-up.

When the crooks in the "House of Scandal" where the girl Anne takes Danny, send her for being a policeman then.

When Danny is shot by members of the gang to which Anne belongs, and Anne afraid he'll die and realizing that she loves him, gives herself up.

When Anne, having returned from prison finds Danny, now a full-fledged policeman, waiting for her.

Calendars were distributed to the Lacombe and district schools as well as in public places in town.

The chapter was responsible for the decorating, posters and selling tickets for the recital given by Miss Myra C. Pratt, a local violinist.

As one of our local pupils was successful in winning the Governor General's medal for the highest marks in Grade 5 in this inspectorate, the chapter also recognized this ability with the gift of a book.

Our contributions this year included the balance of our share of the War Memorial Fund; a scholarship for the work among the foreign born; donations of books to the schools on Empire Day; Prizes for the Oratorical contest; Wood's Christian Home and our local Child Welfare Work.

The chapter also gives a spoon to each "New Canadian" whose mother is a member of our chapter. A prize of \$25.00 has been offered the pupil in Grade XI making the highest average marks at the Departmental examinations in June.

Amalgamation Day was fittingly observed.

As our year closes we wish to thank all who have given their patronage to the various calls of the Chapter; to our Officers for their faithfulness in performing their duties and to our members for their ready support.

Trusting that 1929 may see renewed efforts for the Lord Lacombe Chapter, this report is respectfully submitted.

Myra C. Pratt, Secretary.

Officers elected for the ensuing year are—

President—Mrs. W. C. Sweet.

1st. Vice Regent, Mrs. H. M. Jones.

2nd Vice Regent—Mrs. T. Roberts.

Secretary—Mrs. H. R. Lackey.

Treasurer—Mrs. P. Pratt.

Educ. Sec.—Mrs. N. E. Carruthers.

Rel. Sec.—Mrs. C. G. Dewar.

Standard Bearer—Mrs. R. J. Gilmore.

MRS. REED'S RECITAL

FRIDAY, MARCH 1st.

If you enjoy music or are interested in the children of Lacombe, do not miss the recital in the United Church on Friday evening, March 1st.

Mrs. Reed will play two numbers and several Senior pupils will also play advanced numbers. Everyone will be interested in the performance of the Junior pupils.

The "Rhythmic Orchestra" of twenty-one members will be an innovation in Lacombe. Miss Helen Barbour is always a popular vocalist, and Margaret Aldwinke promises to rival her mother as a talented vocalist.

Those pupils who won certificates from the Associate Board of Examiners of London, England, and from the Toronto Conservatory of Music at the examinations held in June last will be presented with their certificates.

A silver collection will be taken in aid of the music fund of the Church.

BOARD OF TRADE LUNCHEON

The Board of Trade are holding their regular Luncheon at the Adelphi Hotel, Lacombe, on Saturday, Feb. 23rd at 12.15 (noon). Speaker, Mr. W. J. Stephens, Field Crop Commissioner for the Province of Alberta.

Subject: Field Crop competitions. Come and bring any of your neighbors who have been breaking or summerfallow. If you cannot attend the luncheon, come to the meeting in the afternoon at the Town Hall. Everybody invited to attend.

Geo. E. Delong, President.

Jesse Fraser, Secretary.

MUNICIPAL MEETING

There was a very representative attendance at the Annual Meeting of M.P.D. Council held on Friday last, every part of the municipality being strongly represented. The Auditor, Mr. Jesse Fraser, read the annual statement which showed Crown 399 to be in a most enviable position so far as finances are concerned.

The councillors each gave a short resume of their labors during the year. The question of a commissioner came up for discussion, and found favor in several quarters. Some of the councillors were of the opinion that the work of the municipality should be placed in the hands of a competent road man, with engineering qualifications, while others thought that the time was not yet ripe for such a move.

John Ellis, Div. 1, retired from the office of councillor, and Messrs. Lee Maddox and B. A. Sawyer will contest the division.

In Div. 2, represented by M. Madden, there will also be a contest. Chas. Abbott having been nominated to oppose him.

Div. 3 has an abundance of candidates, John Southward, the retiring councillor, who was re-nominated, will be opposed by W. S. Swanson, W. Part and L. Ebeling.

M.D. Council is to be congratulated for the great amount of permanent work done on the road during the past season, and also on the fact that the municipality shows a substantial surplus.

OUR CURLEERS CLEAN UP

Three rinks from Lacombe Club attended the bonspiel at Edmonton last week, and made good records. Those Lorimer, who had with him E. Aboussaty, C. Miller and W. G. Sage, succeeded in capturing the Grand Challenge, Grand Aggregate, Bank of Montreal and other lesser competitions.

H. M. Trimble, with Joe Taylor, D. Hay and A. Price, went a long way in the various events, but their jinx got them every time, and while they did not get top place in any event, they got into the finals and finals in several competitions.

E. C. Chapman, composed of H. Tye, J. Russell and H. Henderson, quit early in the week, but while in it made a good showing for the school sending in the winning puppi.

The car have on Wall Paper, Furnishings, Bed and Bedding, Floor coverings, etc., will surprise you at Lacombe Furniture Store.

Mr. Taylor of Fashion Craft Clothes will be at A. R. Campbell's Store on Friday, Feb. 22nd, showing Spring and Summer Clothes. You are cordially invited to look them over.

We put on display today a Solid Walnut Dining Room Suite, which someone will be proud to own, and the price is right—Lacombe Furniture Store.

Inhuman Treatment Is Charged

STARTLING REVELATIONS HEARD IN HOUSE WITH REGARD TO PONOKA ASYLUM

Alleged ill treatment at the Ponoka mental hospital again came under the spotlight Wednesday afternoon when A. A. McGillivray, K.C., Calgary, leader of the Conservative party in the provincial legislature, produced a statutory declaration bearing the signature of J. J. Schwarzenberger, a farmer of Gadsby, Alberta, charging that while his wife was a patient in the hospital last September, attendants broke her right hand, dislocated her left elbow, and then tied her down to the bed for two weeks.

During that period she received no medical treatment for her hand injuries.

Hon. George H. Hoodley, minister of health, advised the house that he would be prepared to lay a report on the matter before the members on Thursday afternoon. He said he had heard of the case, but was not in position of the full details.

The statutory declaration was to the following effect:—

"My wife, Carry Schwarzenberger, was admitted to the mental hospital, Ponoka, on September 10, 1928. I am sorry to say that she received very inhuman treatment while she was there. They broke her right hand in the first few days and also dislocated her elbow and then tied her down to the bed for nearly two weeks. During that time she received no treatment for her hand. This was done because she refused to eat all the food."

"E should not have been given to her because she was very sick from brain fever."

Mr. McGillivray said he had been further informed that the matter had been reported at the time it had occurred to the minister of health, and that Mr. C. G. Cook, superintendent of the hospital had submitted a statement of the case, and he would be pleased to lay it before the house.

Mr. McGillivray then said that he was not concerned with reports and statements. What he wanted to find out was whether the woman's hand was broken and her elbow dislocated, and was she tied down to a bed for two weeks without treatment, as charged in Schwarzenberger's statement.

The minister said that he was very sorry that a matter of this kind had been brought to the house, and he felt that the matter should have been brought to the attention of the department direct. He wanted it made clear that he was not criticizing Mr. McGillivray's action in the matter.

L.O.D.E.

This is the seventh annual report of the Lord Lacombe Chapter L.O.D.E. shows that we have twenty-five members on the roll.

One new member was added during the year, while we lost 4, one by removal and three by resignation.

Nine regular meetings were held with an average attendance of twelve. We have during the year to the best of our ability given support where most needed and have had appreciative letters from those to whom we have sent donations. We sent a delegate to the annual meeting of the Provincial Chapter and received in return a most interesting and instructive report of convention.

Our activities this year to raise money, included a public card party, collection taken at Oratorical contest, an afternoon tea and evening luncheon, two days of our local stamps. Total amount raised \$266.19.

The Child Welfare committee have been busy with their branch of the work, bringing cheer to sick and destitute children and at Xmas sending gifts to children in families who had recently arrived in this country.

Under the sponsorship of this committee a public tea was given for the benefit of the Wood's Christian Home.

Our Chapter is a 100 p.c. Chapter. Our Educational work has not been neglected. On Empire Day arrangements were made and exercises held at the school and the chapter presented to the school three historical books.

In November an oratorical contest was held open to the pupils of the Lacombe and district schools, subject for High School pupils, "Canada's place in the Empire" and for Public schools, "Let Us Forget". Books were given as prizes to the winners, also a library to the school sending in the winning puppi.

on has lovely ferns and plants in bloom from \$5.00 up. Flowers and Plant designs in ink. Reasonable prices.

ITEMS OF INTEREST

PHYSICIAN SERVICE
The annual Physicarian service will be held in D. Cameron's store on Sunday evening.

Mr. A. M. Campbell is in Calgary this week attending the Retail Merchant's Association convention.

Mr. N. W. Morrison is a Calgary visitor, attending the Retail Merchant's Association Convention.

Mr. and Mrs. G. J. Doherty, who have been visiting in Vancouver for the past few months returned home this week.

Dr. and Mrs. Hynes returned on Thursday last from a two week's visit to Vancouver and Victoria.

Remember the Playoff game on Saturday night against Red Deer. It will be good.

Turn out and boost the 1929 Provincial Champions on Saturday night. Lacombe has held it two years—see them get it this year.

Despite the heavy blizzard a good crowd of men turned out to the Tractor School Friday afternoon. This school was arranged by the local agencies, Brown and Todd, for a demonstration of the Massey-Harris Wallis Tractor.

Our February sale of Beds, Mattresses and Springs is on, and prices are ridiculously low and quantities are maintained at Lacombe Furniture Store.

The Valentine dance held by the West We Forget Club on Thursday evening was a decided success. The hall was beautifully decorated, the music all that it should be and the large crowd thoroughly enjoyed themselves. Members of the Club are well satisfied with the financial returns.

Our new Wall Papers are in and all grades from Sunshiny to cheap papers. We have them from 10c. per roll, up, at Lacombe Furniture Store.

The Women's International Day of Prayer was observed by the various churches by a united service in the Anglican Church on Friday afternoon with Mrs. H. M. Jones presiding. A very illuminating paper was read by Mrs. P. MacDonald, on Present conditions in China. Others taking part in the service were, Mr. R. B. Layton, Mrs. T. H. Chapman, Mrs. G. Baird, Mrs. Berg, Mrs. E. U. Miesner, Mrs. Todd and Mrs. Astrell. A silver collection was taken which is to be sent to the Junior Red Cross at Calgary.

In union with other L.O.D.E. Chapters in Canada, a special L.O.D.E. service will be held here in St. Cyprian's Anglican Church, Sunday evening, February 24th. It is hoped that as many members as possible will attend.

A banquet was held last night in the Adelphi Hotel under the auspices of the West We Forget Club. The banquet was given in honor of Mrs. A. Landis, the retiring president of the Club. Mrs. Landis has been president of the West We Forget Club for the past seven years, and as she has left this neighborhood and is now residing in Red Deer, she resigned from the office she has held for so long. A full account of the banquet will be published next week.

Henry Magilton is Best Orator

Owing to the bad storm only three contestants appeared to take part in the Lacombe District elimination finale of the Oratorical Competition, and it is thought the condition of the roads prevented the Alia and Ponoka representatives undertaking the trip. Judges from Red Deer were also unable to be present, and it was necessary for three local men to act in this capacity. "Canada's Place among the Nations" was the topic chosen by the first speaker, Alfred Drider, of Rimby, who explained that he did not represent the best of the youthful orators of Rimby, but only came because others were too timid to try. Master Drider, although he had some good material, appeared too nervous to give it in his best style. Henry Magilton of Mountain Grove School, gave a clear, forceful address on "Canada's Economic Problems, well delivered, and Miss Wythe Hanks of Lacombe High School, an excellent speech on "The Peace of Canada." While there seemed to be little to choose between the two latter young orators, insofar as language, material etc., was concerned, Miss Hanks dropped her voice at the end of her sentence, making it difficult to hear, and together impossible in some instances for the last two words to be heard.

The Judges, Rev. Deacon, Rev. Chapman and Mr. W. Chesser, marked their papers from the three points, Material, Expression and Impression, made upon the audience, and gave the decision to Henry Magilton, with Miss Hanks a close second.

During the intermission, the audience was delighted with vocal solos by Miss Sims and Mr. C. Stanbury, and a violin solo by Prof. Toudes. Mr. W. B. Poopes, Chairman, thanked the Judges, Artists, and competitors with a few appropriate remarks, and the gathering dispersed after singing God Save the King.

Large cargoes of wheat are being shipped to Japan and the Orient through Vancouver these days. It seems like sending coals to Newcastle to send flour to "The Flowery Kingdom."

Some foundation for the old nickname "woolly" west is found in the report that Alberta's wool output for 1928 amounted to 3,033,181 pounds. Altogether the Dominion produced over eighteen and a half million pounds.

Steel is replacing wood in freight service on the Canadian Pacific Railway as 7,500 box cars now on order for the company will be of steel construction. They will have a capacity of about 2,000 bushels of grain and a load of 120,000 pounds.

Fur-farming is developing many branches, one of the most recent being the organization in Manitoba of the Manitoba Muskrat Breeders' Association. The body plans to study muskrat breeding conditions and to investigate all phases of the industry.

In a recent speech at Kitchener, Ontario, E. W. Beatty, chairman and president of the Canadian Pacific pointed out that the average freight rate per ton per mile in Canada is about 5 1/2 per cent lower than in the U.S. and that the average Canadian "grain" rate is 40 per cent lower.

The Trans-Canada will cross the continent in an hour and a half less westbound than it did last year. This does not mean that Canada has got any smaller, but that the Canadian Pacific Railway is running the famous flyer on an improved schedule.

Penny postage, inaugurated at Christmas, is working well and bringing about a notable increase in letter mail from Canada to the British Isles, according to federal postal officials. It is estimated that the increase in the volume of a year would be such as to offset the \$200,000 estimated reduction in revenue by the penny rate.

In Manitoba there is one tractor for every 4.5 farms in Saskatchewan, one for every 4.7 farms, and in Alberta, one for every 7.5 farms. If all the tractors were hitched together, how long could it take a garage mechanic to reach the moon.

For the sixth successive year Dean Sledge laid of Macdonald College, St. Anne de Bellevue, Quebec, will conduct an all expense tour across Canada and back, starting from Toronto on July 22, and lasting for 21 days. The party travels in a special train with a baggage car filled up as a sixty-foot dressing-room.

Equipped with a bow-rudder, a new device that will aid in navigating the harbours of Victoria and Vancouver and the waters of the British Columbia coast, the Princess Norah has arrived on the Pacific seaboard to join the fleet of the B. SUN LIFE ASSURANCE COMPANY OF CANADA

A TOWER OF STRENGTH

Assurances in force (net)	\$1,896,915,000
As Increase of \$68,935,000	
New Assurances Paid for	441,244,000
An Increase of \$112,836,000	
Total Income	144,747,000
An Increase of \$41,972,000	
Surplus earned during the Year	40,264,000
Payments to Policyholders and Beneficiaries	49,920,000
Surplus and Contingency Reserve	66,938,000
An Increase of \$9,157,000	
Total Liabilities	422,020,000
(Including Paid up Capital)	
Assets, at December 31st, 1928	488,958,000
An Increase of \$87,652,000	
Rate of Interest earned on mean invested assets (net)	6.58%
DIVIDENDS TO POLICYHOLDERS INCREASED FOR NINTH SUCCESSIVE YEAR	

The Company has also inaugurated the practice of paying a special maturity dividend on participating policies, ten or more years in force, terminating by death or maturity.

EXTRACTS FROM DIRECTORS' REPORT

After deducting amounts re-assured, the total assurances in force now amount to \$1,896,915,034.37, an increase of \$68,935,254.68. Policies in force number 633,240, and in addition 136,293 certificates of assurance are held by employees of corporations and firms under the plan.

While every field of operation contributed its full share to these impressive advances, the rapid development of our business in Great Britain and the United States is especially noteworthy. The generous reception of our Company in countries served by powerful domestic institutions is particularly gratifying, as testifying to widespread appreciation of our record and services.

The amount paid to policyholders since organization, together with the amount at present held for their security or benefit, exceeds the total amount received from them in premiums by \$111,370,229.10. The strength and resources of the Company have been still further enhanced.

The net rate of interest earned on the mean invested assets, after making provision for investment expenses, has risen to 6.58 per cent. Dividend increases, bonuses and stock privileges, accruing on many of the Company's holdings, contributed substantially to this gratifying result.

A net profit of \$11,028,854.59 has been realized from the redemption or sale of securities which had risen to high premiums.

The securities listed in the assets have been valued at figures substantially below the value placed on them by the Government. This under-valuation of our securities represents an important safeguard against possible adverse market fluctuations, additional to the reserves specifically provided against that contingency.

We are again able to report that on the bonds and preferred stocks listed in the assets, not one dollar,

due either as interest or as dividend, is in arrear for a single day; while the dividends accruing to common stock exceed by several million dollars those payable on the same stocks at the time of purchase.

The surplus earned during the year, based on the values given in the accounts, amounted to \$40,264,008.57.

\$100,000,000 has been deducted from the already heavily marked-down value of securities, as additional provision against possible fluctuations, increasing the amount so set aside to \$20,000,000.

The special amount set aside as a liability to provide for unforeseen contingencies has been maintained at \$12,500,000.

\$15,822,339.65 has been paid or allotted as profits to policyholders during the year.

After making all deductions and allocations, \$9,157,966.34 has been added to the undivided surplus, bringing the total over liabilities, contingency accounts, and capital stock, to \$34,438,662.48.

The continued prosperity of the Company enables your Directors to announce, for the ninth successive year, a substantial increase in the scale of profits to be distributed to participating policyholders during the ensuing year.

In addition, your Directors have inaugurated the principle of granting a Special Dividend on participating policies maturing after having been in force ten years or longer. This new bonus will enable policyholders or beneficiaries whose withdrawal is occasioned by the maturity of policy contracts, to participate in the accumulated surplus which it has not as yet been considered prudent to divide.

The effort to provide life assurance at the lowest net cost obtainable has been increasingly appreciated. Our policyholders will be gratified by this further evidence of our desire that the Company's prosperity shall be fully shared by its members.

Pretty Wedding of Clive Couple

A quiet, though pretty wedding was celebrated at High Noon St. Valentine's Day, Feb. 14th, at the home of Mr. and Mrs. George Vandenberg when Alida Mangano, their only daughter, was united in marriage to Victor E. Mackenzie of Calgary. The bride and groom were ably assisted by Miss Ruby Dufferson, sister at Lacombe, and Mr. James Mitchell, also of Lacombe. Rev. J. H. Hargrave, pastor, officiated. Many were the beautiful gifts presented by both bride and groom, which, by the way, were testimony to the popularity and esteem in which both are held. The happy couple and wedding party motored to Lacombe where Mr. and Mrs. Lockett, took the bride and groom for a brief, honeymoon, returning to their home near Chigwick. A wealth of congratulations is extended to the bride and groom and joyous voyage through life. The trials are fast becoming full on account of the recent snowstorms accompanied with driving winds. Cars are making their way nevertheless to the main highway via the north road. However, at present it is snowing with intervals of snow and sleet. About four inches of snow fell on Thursday night. Grain is coming to the elevators quite steadily this week. The four elevators are being kept quite busy. A play entitled "The Path Across

the Hill" will shortly be presented at the Hall on Thursday, March 7th, under the auspices of the Ladies' Aid Society there. It is a comedy-drama of high moral calibre, sparkling with humor, seasoned with vital truths and meliorated with touches of gripping pathos. It is a story true to life that no one can afford to miss. Particulars will be given later.

The newly installed Worthy Matron, Mrs. S. J. Trotter gave a charming address and hoped for a successful year. A lovely banquet was served afterwards by the Past Matrons.

VERNON BUCKLES GOING GOOD AT SEATTLE

We take the following from the Seattle Star—Knee interest is being manifest in the clash between the Ballard and the West Seattle Athletic Club, as the features of next Sunday's double header at the Clive Ice Arena at 9 o'clock. All attendance records for amateur hockey in the city of Seattle may be smashed for this clash. The rival community clubs are marshaling their forces and sections at the arena will be allotted to each.

The spectacular work of Vernon Buckles, who has been pasturing second Medicine Hat, and Gordon McLean have moved to make West Seattle one of the most dangerous sections in the loop right now. Buckles carries a world of speed in his skates and is a dead shot. He will be matched against Bala Johnson, the streak of the Ballard Club, in Sunday's feature. Tom Day, formerly of Lacombe is third place in the scoring column of West Seattle, and is one of the fastest performers on the coast.

Steel Cars Now for Freight Service

Steel is replacing wood in freight service and seventy-five hundred of the new freight cars now on order for the Canadian Pacific will set a new standard in grain and general freight service. These cars are not in replacement but in addition to the wood cars already in use, and will furnish a greater margin of safety, more speed and longer service while eliminating leakage. They will have a capacity of 2,000 bushels of wheat and will considerably speed up the movement of grain. Rivetting of all joints and connections will reduce to a minimum possibility of loss of grain and the car itself will be more solid and will possess greater rigidity. The roof of the car will be steel as will also the whole structure, but the sides will be wood lined inside. Additional safety will be provided by a new type of truck having a cast steel frame. These truck side frames which represent a new standard of Canadian Pacific equipment, are one integral casting. Elimination of parts in the car proper is another noteworthy feature. Dimensions of the car are 40 feet 9 inches in length, 8 feet 7 inches high, and 8 feet, 7 1/2 inches wide. They will have 5 foot side doors and a capacity of 120,000 pounds. The new cars represent an important advance in railway freight transportation on this continent and they have been developed more directly to pace with the development of the west. In recent years crop acreage has increased. Car loadings have increased in like measure. Improved harvesting machinery has speeded up delivery to the rails and necessitated still more efficient handling on the part of the railway companies. Delivery of the new cars will be made in ample time for the harvest of 1929 and the Canadian Pacific may be expected to again break the record of crop handling.

These cars are not in replacement but in addition to the wood cars already in use, and will furnish a greater margin of safety, more speed and longer service while eliminating leakage. They will have a capacity of 2,000 bushels of wheat and will considerably speed up the movement of grain. Rivetting of all joints and connections will reduce to a minimum possibility of loss of grain and the car itself will be more solid and will possess greater rigidity. The roof of the car will be steel as will also the whole structure, but the sides will be wood lined inside. Additional safety will be provided by a new type of truck having a cast steel frame. These truck side frames which represent a new standard of Canadian Pacific equipment, are one integral casting. Elimination of parts in the car proper is another noteworthy feature. Dimensions of the car are 40 feet 9 inches in length, 8 feet 7 inches high, and 8 feet, 7 1/2 inches wide. They will have 5 foot side doors and a capacity of 120,000 pounds. The new cars represent an important advance in railway freight transportation on this continent and they have been developed more directly to pace with the development of the west. In recent years crop acreage has increased. Car loadings have increased in like measure. Improved harvesting machinery has speeded up delivery to the rails and necessitated still more efficient handling on the part of the railway companies. Delivery of the new cars will be made in ample time for the harvest of 1929 and the Canadian Pacific may be expected to again break the record of crop handling.

Imp. Sayings

A Column of Fun and Facts for Lacombe Folk and our Farmer Friends

Judging by the animated spirit shown at the first regular meeting of the Board of Trade, Lacombe and District are certain to benefit materially by the "Co-operative" and "Service" attitude of that body. So now "All together for Lacombe and District."

For every farm either large or small, we have a McCormick-Deering Grain Drill that will fill the fall. The come in all styles and sizes.

On Valentine morn he brought his heart And laid it at her door; But she had ordered liver so She dealt with him no more.

A farmer must have dependable machinery on his farm nowadays to make money. McCormick-Deering implements mean more work, better done at less cost.

Should a man propose to a girl on his knees? Yes, either that, or she should get off.

An implement is no better than the service behind it. That is why McCormick-Deering Implements, Tractors, etc., are so reliable and popular—they all have real service behind them.

Brown: "I near Jones is letting the rest of the world go by." Green: "Retired eh?" Brown: "No, bought a used car."

McCormick-Deering Triple-Power Tractors are making it possible for farmers to realize greater returns from their time and effort. Satisfy yourself regarding this tractor before purchasing.

Mac says: "We spend money to impress others who spend money to impress us."

From all accounts our curiers are keeping up their end as usual, and are doing splendid at the Edmonton Bungalow.

If you can't boast don't knock.

Bentley Notes

Mr. Alva Burger motored up from Arrowhead on Saturday last and is visiting his sister Mrs. Wm. Barrett and Mrs. M. C. Nelson. He has just returned from a two month's trip to California. He brought back his little daughter Grace who has been there for some time with her maternal Grandmother.

Mr. Howatt executor of the estate of the late J. E. Carrut was in town for a couple of days last week, on business connected with the estate. We erroneously reported the date of the U.F.A. meeting to be held at the R. E. Chown house. The meeting will be on the evening of the 28th instead of the 20th and Mr. McKenzie field service man of the Wheat Pool is expected so be there to address the company.

The Annual Meeting of the ratepayers of the M.D. of Lorne, No. 400, was held at Sunset School house on Saturday last with about 30 ratepayers present. Of the six divisions, Mr. Mack, Div. 2; J. Jaffray, Div. 4 and Alfred Haarslad in Div. 5 still remain councillors. In Div. 1, Wm. Beget year who has been councillor for several years past, is retiring and as Mr. H. C. Peterson was the only nominee, he was declared elected. Div. 3 was vacant owing to the death of the former councillor Mr. Casper some time ago and there will be an election for that district on Saturday next. Mr. Ole Bardenhagen and Mr. A. Hoglund being the nominees. There will also be an election in Div. 6, Mr. Harry Brownlow, who has held the office for some years past and Mr. Gus Haarslad being nominees.

On Wednesday, Feb. 13, the fine new home of Mr. and Mrs. H. C. Peterson of Rainy Creek community presented a lively scene, when Mrs. Peterson entertained the Ladies Aid of the Rainy Creek United Church. The ladies brought their husbands and a real old fashioned house warming took place. Nearly 100 partook of the fine dinner which Mrs. Peterson had prepared for the occasion. This couple began their married life in a little log house on a homestead in this community and have a host of friends who are glad to see them enjoying life in this new large modern home.

On Feb. 16, 1904 in the presence of what at that time comprised the whole community the wedding of four young people took place in the first log house erected in the Vig Community and occupied by the Vig family. Each couple took up residence on or near by homesteads. The home of one couple, Mr. Joe Vig and Miss Alma Johnson was broken up 9 years later by the death Mrs. Vig. When the great war broke out Mr. Vig placed his two young sons in the care of their maternal grandmother and en-

laced and was killed in action overseas. The other couple, Mr. Jho. Solberg and Miss Sophie Vig are still residing on the homestead, and on Saturday evening last, about 100 friends and neighbors assembled at their home to help them celebrate their silver wedding day. This couple are still young folks, each being but 43 years of age and both enjoying good health. They have a family of 15 children of whom all but two are still at home. One son and one daughter are married and live in nearby districts and were able to be present. During the evening, Mr. H. P. Hansen, in behalf of those present, presented Mr. and Mrs. Solberg with a chest of Silverware. The evening was spent in dancing and games and supper was served at midnight. Many were there who had attended the wedding 25 years ago and Mr. Oscar Vig played the same waltz he had played at that time. Their many friends express the hope of seeing them enjoy many more anniversaries of the day.

Remembering to put out the cat saved the O'Neill Bros. house last Tuesday. Wm. O'Neill was ready to go for food but went to the house first to see if he had put the cat out, and there he found a pile of papers on the bookcase on fire. The cause of the fire is unknown.

The Junior U.F.A. are rehearsing their play "Cold Feet" which they hope to put on the end of March. There was quite a good attendance at church last Sunday, Mr. Brunton will again conduct services on Feb. 24. Mr. Lindsey and family visited at the Wm. Jaffray home on Sunday.

Most of the young people in the valley were skating on the rink last Sunday after church. Mrs. Grover Robson and children spent the week end visiting Mrs. Geo. Raymond of Bentley.

We are glad to report that Mr. Jim Jaffray is improving. Mr. and Mrs. L. Beddoes and family visited at the Malcolm home last Sunday.

It was reported last week that the next W.I.L. meeting will be held at Mrs. Grover Robson's. This has been changed. The meeting will now be held at the home of Mrs. N. A. Palm on the first Wednesday in March. Miss Emma Gyorfi has gone to Rimby to work for Mrs. MacDonald. Mr. and Mrs. Roy Weiss were greatly surprised last Tuesday night when about forty of their neighbors came in to spend the evening. The time was spent in visiting and playing cards. After supper Mr. and Mrs. Weiss were presented with a tea service as a remembrance from their friends. Mr. and Mrs. Weiss have resided in this valley since their marriage in

1922 and have always taken an active interest in the social affairs of the district. They will be greatly missed by their many friends.

Mrs. Roy Weiss gave a birthday party for her little daughter Linda on Thursday. The birthday, also adorned with five candles was the greatest attraction on the prettily decorated tea table. Those present were Gladys Jaffray, Bertha Gyorfi, Edna Beddoes and Allan Robson.

Miss Cook gave a Valentine party to her pupils on Thursday afternoon at the school. The afternoon was spent in skating and playing games and the distribution of Valentines, which had previously been put into the "post office." Sam Weiss acted as post master. Don't forget Mr. Weiss's sale on Feb. 25.
